PERFORMANCE

ZION WALLCOVERING

Utterly tactile with tremendous performance capabilities, the embossed vinyl wallcoverings in Texture Resource Volume 7 provides beauty and strength with dynamic patterns that add to our high performance wallcovering category. Thibaut's performance wallcoverings give the walls depth and dimension that cannot be achieved with paint. They are stain resistant and cleanable, and easily strippable when time to redecorate. Ideal for residential and commercial application, these wallcoverings are an attractive and practical choice for high traffic areas such as hallways, family rooms, mudrooms, kitchens, bathrooms and kids rooms. Available in 27" standard and 54" wide width.
